FINAL REPORT

Lyon, the 9th June 2009 - The LumiVille and InLight Expo trade fairs took place in Lyon from the 26th to 28th May 2009 in synergy with the EquipVille show, National trade fair for urban equipments.

With more than 350 exhibitors for a total surface of 26 000 sqm), InLight Expo and LumiVille have exceeded by far the already positive expectations and have confirmed their position of the largest lighting show in France.

The two main highlights were innovation and design through a large ranch of products, services and new technologies for the public lighting, outdoor and indoor lighting, architectural and technical lighting, specific lighting applications...

Among the most attractive products, visitors appreciated the new lighting technologies and tendencies such as the LEDs, lighting control and management, lighting savings, security lighting, shop lighting...

With over 10% of foreign exhibitors and 12 500 qualified and professional visitors coming from 37 different countries, this edition has confirmed its position as an international meeting place. Visitors were coming from the lighting sectors such as : architects, lighting planners, engineers, services managers, manufacturers, distributors, senior buyers, installers...

During the fair, 57 conferences, organized by exhibitors and LUCI association, have taken place and have attracted over 900 listeners.

Also, the 5th "LumiVille Trophies" edition has rewarded *M. Pierre Negre* d'Atelier Lumière in the Public space category, *Carole Ferreri* et *Akari-Lisa Ishii* d'I.C.O.N. in the built inheritance category, *M. Luke Smith-Wightman* de B.D.P. in the young light designer category and *Jean-Philippe Corrigou* of Caribou Concept in the indoor lighting category

More over, CDO will organise the first LED conferences and expo in France, FORUMLED and will take place 3 – 4 December 2009 in Lyon – Cité centre de congrès. Fore all information : www.forumled.com

The next LumiVille, InLight Expo and EquipVille trade fairs will take place in Lyon – Eurexpo (France) from the 1st to 3rd June 2010.
